

Finding the main idea

A Day with Floppy

Floppy is a rabbit. He's soft and fluffy, with big brown eyes. Every day, Floppy hops around the garden, nibbling on carrots and lettuce. He loves to explore new places and dig holes in the soft earth. Floppy's favorite activity is playing with his toy ball, rolling it around with his nose. When the sun sets, Floppy curls up in his cozy burrow, feeling safe and warm.

The main idea of the story is:

- A. Floppy is soft and fluffy.
- B. Floppy loves to hop around the garden.
- C. Floppy's favorite activity is playing with his toy ball.
- D. Floppy feels safe and warm in his burrow.

Main Idea:

D. Floppy feels safe and warm in his burrow.
This means that the most important thing about Floppy in the story is that he likes his burrow because it makes him feel cozy and protected.
