Helping in the Garden

I enjoy helping my mom in the garden. We plant flowers, vegetables, and herbs together. I water the plants, pull out weeds, and watch them grow. It's rewarding to see the garden bloom with colorful flowers and fresh produce that we can enjoy.

What is the main, or central, idea of the passage?

- A. The passage talks about playing video games.
- B. The passage describes the author's activities in the garden with their mom and the satisfaction they get from seeing it flourish.
- C. The passage discusses the author's favorite sport.

Main Idea:

The correct answer is B because the passage primarily focuses on the author's experience of helping their mom in the garden. It describes how they plant flowers, vegetables, and herbs together, water the plants, pull out weeds, and watch them grow. The passage also emphasizes the satisfaction the author feels from seeing the garden bloom with colorful flowers and fresh produce.
