

Finding the main idea

My Favorite Season

My favorite season is summer! I love the warm weather, sunny days, and trips to the beach. In summer, I can swim in the ocean, build sandcastles, and enjoy ice cream cones. There are also fun activities like camping, hiking, and having barbecues with my family and friends. Summer is the best time of year!

What is the main, or central, idea of the passage?

- A. Summer is the best season because of warm weather, fun activities, and time with family and friends.
- B. The passage talks about different types of weather.
- C. The author loves ice cream cones.

Main Idea:

The main idea is that the author loves summer because it's warm, sunny, and perfect for fun activities like going to the beach, swimming, and having barbecues with family and friends.
